"Staff from P&C uniforms readily listened to and worked within design brief. They were well aware of design issues and provided me with a number of solutions to consider. Follow up on all steps within the design and manufacturing was provided. Quality has been and remains excellent and the return rate is extremely low."

I am writing to pass on a very big thank you from the music team and students here at Tallebudgera State School. The music shirts are just perfect! We are very happy with the design that David worked so hard on for us and the quality of your product. The children will be wearing them in the coming weeks at the Gold Coast Elsteddod and they are very excited to have their own performance uniform.
